

## Enduro Triathlon & Kids Triathlon

### A Message from Rockingham Triathlon Club

Rockingham Triathlon Club are looking forward to welcoming all competitors and spectators to the 2025/26 Rockingham Triathlon Clubs Summer series of Triathlons

The Rowdy's Cafe Enduro Triathlon is one of fun, you get to do two triathlons back-to-back! In the Enduro format you do a swim/bike/run/swim/bike/run format, it's an exciting challenge. The SuperEnticer is a normal triathlon with a slightly longer swim and run compared to our usual enticer length. The kids triathlons are also the usual format with multiple distances (please go to the kids races tab for more information).

The triathlon takes place on the beautiful Rockingham foreshore and boasts one of the safest swims you will find in triathlon! The swim takes place in the crystal-clear, shallow, and flat waters of Rockingham beach, where you can stand at any point throughout the swim if you need to. The multi-lap bike courses have you biking up and down the flat and fast Rockingham Beach Road with the multi-laps allowing your supporters to give you a big cheer every time you go past! The runs have you running along the foreshore footpath with ocean views and natural bush surrounds.

Rockingham Triathlon Club is pleased to be able to invite the wider triathlon community to come along and join our members for a chance to race. The RTC Triathlons are still at their basis club events. Our races are organised and run completely by volunteers, for this reason we please ask for your kindness and patience, and please don't forget to thank our wonderful volunteers throughout the course.

Rockingham Triathlon Club is an all-inclusive, family friendly club, so please also show consideration to your fellow competitors, especially on the bike course as not all of us have the same level of bike handling skills.

Rockingham Triathlon Club would like to acknowledge and say thank you for the support of our race naming sponsor Rowdy's Cafe. A friendly local café just down the road from the event area on Rockingham Beach Road, a great place to grab a post-race coffee and well-earned breakfast!

Once again, we can't wait to see you all down at the Rockingham Foreshore for what will be a fantastic, fun filled day!

## Volunteers

These races are completely organised and coordinated by volunteers, without volunteers we will not be able to have such fun races. If you are available to help out please let the Rockingham Triathlon club know be emailing the club on [rockytri.enquiries@gmail.com](mailto:rockytri.enquiries@gmail.com) or answer the call out for race helpers on Facebook prior to race day.

## Transition Flow & Bike Racking

Adults Transition Area will be open from 7am – 8:15am. Competitors will flow through the transition as per the marked diagram below. **Transition will open for bike collection (to leave) after the last competitor has finished their last bike leg. Competitors are not allowed to collect their bikes prior to this due to safety reasons.**

## Bag Drop Area

Bag drop area is located near the First Aid area under the main shelter.

## Hydration Stations

There will be one aid station on the run, located near transition. This aid station will supply water.

There will be no aid stations on the bike course.

## Race Briefing

The race briefing will be held around 7:15am for the kids triathlon and 8:15am for adults (Enduro, SuperEnticer, Duathlon and Aquabike). Race briefing will be **located in between the main shelter and the carpark.**

The RTC SuperSprint Triathlon is a Triathlon Australia sanctioned race, as such Triathlon Australia race rules apply. For more information, please visit <https://www.triathlon.org.au/rules>

## Run Course

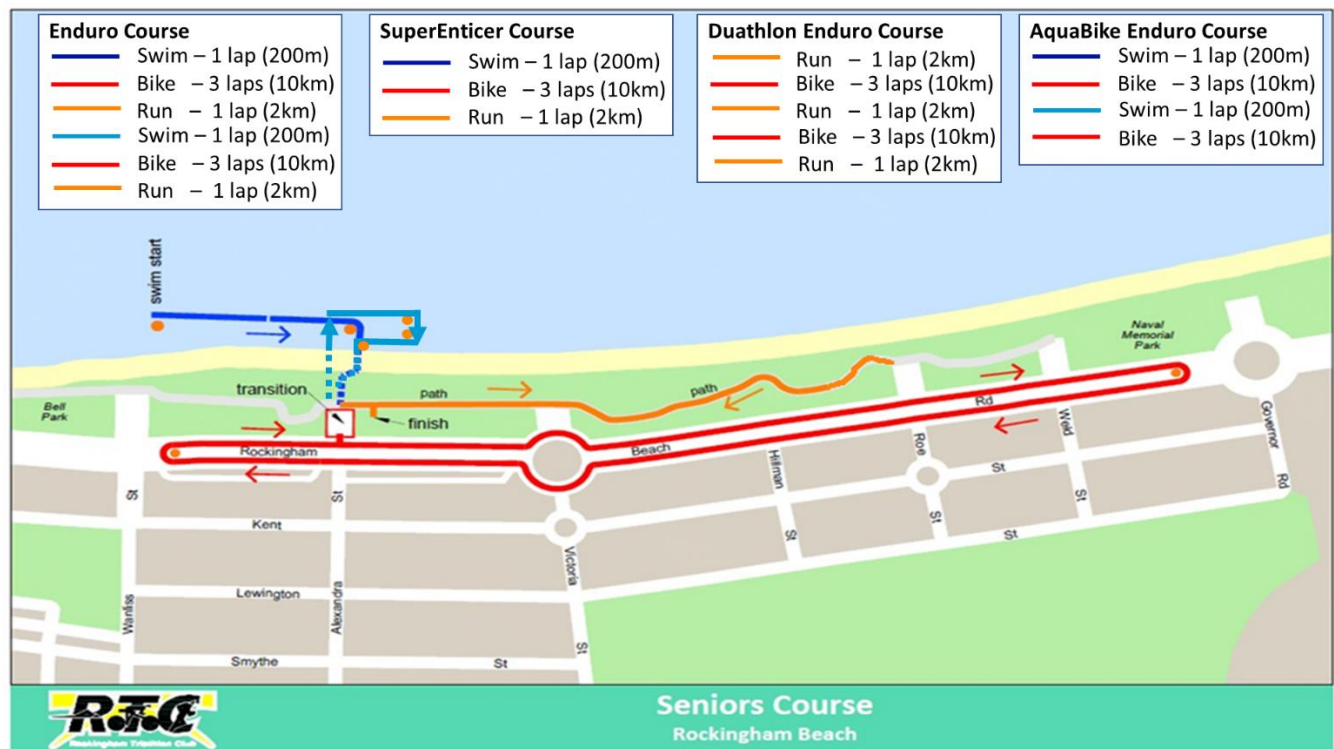

The run is a 2km out and back course along the Rockingham Foreshore footpath. Once competitors complete their last run leg you will then finish through the finishing chute at the event area.

Run course rules will follow Triathlon Australia race rules, in addition:

- Please be mindful that the path on which the run leg will be held will remain open to the public during the duration of the triathlon

## Bike Course

The bike is a 3-lap course (ridden twice for Enduro) riding up and down a section of the Rockingham Beach Road with hair pin turns at either end.

Bike rules will follow Triathlon Australia race rules, in addition:

- Helmets must be fitted correctly and clipped on before removing your bike off the rack and on conclusion of the ride leg bikes must be placed back on the rack before unclipping and removing your helmet
- Please cross over the mount line before mounting your bike. Likewise, to dismount before crossing over the dismount line to conclude the bike leg.
- Stay left unless overtaking
- While road closures are in place, local residents may still use the road so please be mindful that cars can still appear on the course.
- **No drafting - 7 metre draft zone.**
- Headphones are not allowed.
- The instructions of traffic marshals must be followed at all times

## Swim Course

### Swim Start

The swim consists of an 'in water' start however competitors will be able to stand in the waist to chest deep water. Competitors will start in waves, 300m up the beach and swim down to the further out to sea large orange buoy, swim around the outside of the buoy and then head to the beach exit.

### Enduro & AquaBike Second Swim

Competitors will run down the beach and enter the water on the left side of the flags on the beach, swim out to the large orange buoy directly in front, swim around this buoy, swim down to the large buoy at the end of the swim course, turn around the outside of this buoy (buoy on your right) and head towards the small buoy place 30m towards the beach. Swim around this small turning buoy (buoy on your right) and then swim back along the beach towards the large inshore buoy. Swim around the buoy on the ocean side (buoy to your left). You will then swim directly to the beach, exit the water and head back to transition.

Enduro Triathlon Swim Course

Swim rules will follow Triathlon Australia race rules, in addition:

- Swim caps are optional
- If the megaphone siren goes off, swim to the shore immediately.
- If in discomfort, stop, stand in the water and if needed, signal for assistance by raising your arm with a closed fist

## AquaBike

AquaBike competitors once they have completed their final bike leg, will have to put shoes on and run/walk to the finish line to complete their race. Exit transition via the RUN exit and then run/walk around to the finish line, as shown in the Event site image above.

## **Finish & Recovery Area**

At the completion of your run you will have to run down the finishing chute to the finish line (marked on event area map). Once you have run across the blue timing mat at the end of the finish chute you have completed your race!!

When you have finished, please ensure you remove your timing chip and place it in the bucket provided.

The recovery area will have water and bananas. Please use this area to recover, if you are feeling unwell, please get the attention of one of the volunteers who will escort you to the First Aid station.

## **Race Dropouts (DNF's)**

If for whatever reason you are unable to complete the race, please go to the finishing line and return your timing chip and let the Finish line attendant know that you have drop out of the race.

## **First Aid**

A First Aid post will be set up under the main shelter of the event area as marked on the event area map.

## **Results**

Results will be posted up on the RTC Facebook page, on our website and emailed to participants once they have been finalised
